# Behaviour Levels

Name:

## Change of Level Reflection

Date:

I have changed from Level 4 to Level 3 because last week I chose a challenging goal, as I was achieving everything at Level 4. This was to extend myself, as Level 4 students need to do that.

The goal I chose was:

---

---

---

I was not able to achieve it because:

- It was unrealistic / too hard /not achievable
- I didn't make the effort to achieve it, I needed to really push myself and I didn't

From this, I have learned that I need to:

---

---

---

Is there anything else you think your teacher and parents/carers needs to know?

---

---

The change I will make this week is:

---

---

---

- In their 'Level Reflection' this student was **able** to describe what changes they need to make in their goal setting to maintain Level 4
- In their 'Level Reflection' this student was **not able** to describe what changes they need to make in their goal setting to maintain Level 4, and will need support in setting more appropriate challenges.
